Student Parking/Driving Regulations

Driving a car to school is a privilege and must be treated so accordingly. Students must register their vehicle in the Main Office and purchase a parking permit each year.

Parking procedures are as follows:

- **Parking permits can be purchased in the main office for \$20.00 for the year or \$10.00 for a Campus permit.**
- **Half of any outstanding previous school year(s) fees must be paid in order to purchase a parking permit. If you have any questions about your child's fees or need to know how much your child owes, please call the main office.**
- Bring completed parking permit application to the HS Main Office along with:
 - \$20.00 (\$10.00 for a Campus permit)
 - Copy of valid Ohio Driver's License
 - Copy of proof of insurance card
- The assigned parking permit must be hung on rear-view mirror of the vehicle registered at all times.
- The speed limit is 10 miles an hour. All posted speed limits must be maintained on Kirby, Annalane, and Wienczek.
- Seniors will park in the front lot, in front of the high school building. Juniors will be required to park in the upper lot, by the football stadium. Sophomores will be required to park at Campus Elementary.
- **Students may not park in the side lot between the football field and the High School, as well as in front of the transportation building.** These lots are reserved for staff members only.
- Students must park heading into a parking slot, not backing in.
- When leaving, back out of the parking slot, do not pull through.
- At all times pedestrians and buses have the right of way.
- Please use common sense and caution for your safety and the safety of others.
- School officials reserve the right to search student automobiles and contents at any time. Drug searches may involve the use of trained canines that may, in the process of the search, damage the surface of the vehicle. The Streetsboro City School District or any of its employees will not be held responsible or liable for these damages.

Violations of the above may include detentions, after hours, suspension or revocation of parking privileges, or having a vehicle towed from school premises.
